

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 2, 1996

SUBJECT: **HB 2365 - SB 2479**

This bill, if enacted, will require health care facilities or other entities which provide care and treatment of Alzheimer's disease to disclose such treatment to the Department of Health. Persons licensed to practice medicine or any person employed by such an individual is exempt from the requirements of the act.

The Department of Health is to develop a standard disclosure form for such input and must review the completed information for accuracy. Failure to provide the disclosure is a Class B misdemeanor subject to a maximum fine of \$500.

The fiscal impact of this bill is estimated to increase state expenditures. The amount of increased expenditures cannot be determined but is estimated to be not significant.

The fiscal impact from enactment of this bill is also estimated to increase revenues to the state from the collection of fines from those who violate this act. The amount of increase cannot be determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
